-----

Our certified energy storage specialists provide comprehensive monitoring and technical support for all installed battery systems and container energy storage solutions.

In cooperation with the start-up Africa GreenTec, TESVOLT is supplying lithium storage systems for 50 solar containers with a total capacity of 3 megawatt hours (MWh), enabling a reliable power supply

Zastosowanie przy dużej ilości kontenerów - pozwala na łączenie modułowe wielu kontenerów wyposażonych w system Solar container za pomocą jednego

Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by

Explore our comprehensive microgrid and energy storage solutions including microgrid systems, energy storage systems (ESS), photovoltaic power projects, mobile solar containers, BESS systems,

Why should you choose a modular solar power container? Go big with our modular design for easy additional solar power capacity. Customize your container according to various

European leader in container energy storage systems, custom ESS solutions, commercial photovoltaic installations, rooftop solar systems, and folding PV container technology. Serving industrial and

Whether you're looking for large-scale utility solar projects, commercial containerized systems, or mobile solar power solutions, we have a solution for every need. Explore and discover what we have to offer!
